**Congratulations on choosing the Innovators Camp for your young one this Easter. Innovation is critical if we are to ensure the diversification of the economy of Trinidad and Tobago. What better way to ensure it, than to provide opportunities for youth to create and to develop other critical skills required to support this change?**

**The theme of this camp is: I am strong! I am unique! I am beautiful! Anything I imagine I can create! We will be focussing on encouraging creativity and self-confidence through robotics education, photography, gardening, music and Spanish language learning, theatre education and dance. Lunch will be provided as part of the camp package.**

**1. Why do you want your young one to join Innovators Easter Camp?**

\_\_\_\_\_

**2. Will you ensure that your child attends and is picked up from all sessions on time?**

Yes                                       No

Kindly list here all the persons authorised to collect your child.

3. Will you encourage your child / children to follow the rules for participation in the Camp and treat others the way they would like to be treated?

- Yes  No

4. At the end of the session we have the participants show case the robots and other things they create to you. Are you willing to have your child photographed or videotaped as they showcase their creations? The material will be used only to encourage other parents and young people to get involved in innovation and creative development activities.

- Yes  No

5. **Payments**

The camp registration fee covers the duration of the camp and is inclusive of water, lunch, mid-morning and mid afternoon snack, and the major innovation tools. Given the cost of the equipment used, all payments made are made in advance and there is a very short timeline during which requests for refunds will be accepted and processed.

**\$1200 for children 5-10 years (Junior Innovators Programme)**

**\$2160 for children 11-15 years (Senior Innovators Programme)**

**Optional Add \$500 for Innovation Tools if doing full camp**

**Special Opportunity - Your camper can take home his/her own/robot innovation tools!**

The innovation tools that we use can be used at home to facilitate additional learning. To encourage learning beyond the camp, as a special offer, we will provide these tools, with learning guides, upon order, for a nominal additional fee of \$500.00 TTD for campers doing the full camp. Retail value of Knex Education Series, Marty the Robot is \$1000-2000TTD .

My child is doing the full camp and I would like my child to carry his/her robot/innovation tools at home. I would like to order (choose one):

- Knex Educational Kit recommended for children (for Junior Programme)  
 Marty the Robot (for Senior Programme)
